Bhubaneswar,  
JFME CN/09  
22.08.2021.

Dear Friends,  
Warm Greetings and Best Wishes.

After the visible success of Digital signature campaign and participation in Save India Program, we have to mobilize for JFME Program of **All India Save Education Day on 05<sup>th</sup> September 2021 Teachers Day**. We have to carry out the program to reject National Education Policy 2020 which the central government is trying its best to implement in spite of our democratic protest. Time has come physically to demonstrate our reaction and determined opposition to the imposition of Undemocratic NEP. Kindly organize JFME at your state level and have a demonstrative action at State Level focusing JFME demands as well as state issues. The Constituents of JFME are also requested to send circular to their units for a massive mobilization for the success of All India Save Education Day on 05<sup>th</sup> September 2021. Press briefing also can be arranged to highlight our issues.

Friends in the face of a stubborn government committed to implement Undemocratic, unscientific and exclusionary National Education policy, JFME has to be strengthened to respond to the challenges to fulfill our objectives of a democratic, secular, scientific and inclusive education policy. Let us proceed with our slogan **Save Education, Save Campus, Save Nation**

Fraternally Yours,

**Amiya Kumar Mohanty**
